

Hi, I'm Natalie, your personal Travel Counsellor

I would like to tell you about an exciting initiative designed to help raise funds for Woodley Primary School.

Woodley Primary School and Travel Counsellors have mutually agreed to set up an incentive scheme, whereby with every travel booking made through myself, a donation will be paid into an ever increasing pot to be used to help fund school activities.

Your friends and family are also eligible for the scheme. Just pass on my details and ask them to quote Woodley Primary School. I will do the rest helping the fund grow bigger and faster.

Travel Counsellors is an independent travel company, established in Bolton in 1994. We are the only Travel Agent to have received the Queen's Award for Enterprise, and have recently been named 'Best Travel Agent' for the fourth time at the Guardian Observer and Guardian Unlimited Awards, as voted by their readers. Our financial trust ensures that everything you book through me is 100% financially protected in the event of a supplier failure. We have award winning technology at our finger tips and access to hundreds of suppliers in order to search out the best and most competitive deals for our customers.

We believe this to be an exciting venture and hope that it will help to raise some funds for the school. So whatever your choice, from a short break in Europe, to a tailor-made adventure of a lifetime or a business trip, I can organise the flights, accommodation, insurance and all additional travel services to suit you.
