

It is not okay because it could harm other people and you cannot just trust random websites on the internet.

It is never ok to offend or upset someone deliberately.
Josh B, Year 5

Scenario 1

You share a link with your friends to a website which has information that could upset people or cause offense.

This is not okay because it's not alright to cause distress or upset towards other people.

That's not okay because anyone can see it because it is a link.
